## Sullivan City Splash Pad Project

Over the next two months, Sullivan City Memorial Park will be under construction due to our splash pad project. In order to ensure public safety, please suspend all walking on the eastside of Memorial Park. The construction of the Splash Pad is well underway. With all the trenches and safety concerns, the walking trail is off limits. Walking for the general public is available on the west side of the park.

As required, the police department will be redirecting pedestrian traffic at the eastside of the park. We appreciate your patience and understanding while we complete this important community project.

Any emergencies contact Sullivan City Police Department 956-485-9208
